To Whom It May Concern:

My name is Lee Buddle and I am owner and producer at Crank Recording studios.

I met Aminah Hughes when she came to the studio to plan the recording of her new album. We discussed themes, aims, production methods and listened to some of her previous work. I was immediately impressed with the depth and quality of her songs and her unique, alluring voice. She has a clear idea of what she wants in terms of arrangement and instrumentation and is ready to record an album of the highest quality.

I would like to voice my support to Aminah as an important songwriter and performer. She is focused and determined to continue her artistic success.

I fully support Aminah Hughes' application for funding assistance and look forward to working with her in the future.

Please contact me on 0411 225349 if you have any further queries.

Yours Sincerely,
